ii) Corporate advertising and sponsorships

All advertising and sponsorship revenues are recognized as earned in accordance with the terms of the contract, when such amounts are determinable and collection is reasonably assured.

iii) Memberships and fees

Memberships and fees are charged on an annual basis matching the fiscal period of the Association and are recorded as revenues as in the period the membership related to.

iv) Government grants

Government of Canada grants and provincial grants are subject to certain terms and conditions regarding the expenditures of these funds, with expenses charged against these contributions being subject to government audit. As a result, adjustments may be made to the original contributions received. The effect on net revenue or expenditures of any adjustment arising from this audit is reflected in the year in which the audit is completed. Contributions received in advance of the fiscal and program expenditures years are deferred to the applicable year.

v) Domestic initiatives and coach education

Revenue generated from domestic initiatives and coach education are recorded on an annual basis matching the fiscal period of the Association and are recorded in the period the activities relate to. These initiatives include targeted athletic programming, insurance and activities related to coach education including annual membership dues, courses, and other initiatives.

d) Donated materials and services

Donated materials and services are recorded at fair value when a fair value can be reasonably estimated and when the materials and services are used in the normal course of the Association's operations and would otherwise have been purchased. During fiscal 2019, \$1,062,347 of contributed services and materials were recorded in the financial statements (2018 – \$1,392,229). Contributed volunteer services are not recognized in the financial statements because of the difficulty in determining their value.

e) Assets held in trust and liability for assets held in trust

Funds held in trust for certain athletes are included as assets and liabilities of the Association when accountability of these funds rests with the Association. Assets held in trust consist of cash and marketable securities and the marketable securities have been recorded at fair value.

f) Income tax status

The Association is a not-for-profit organization and as such, is exempt from income tax.
