## Independent Practitioner's Review Engagement Report

To the Members,

I have reviewed the accompanying financial statements of Netball Canada that comprise the statement of financial position as at March 31, 2019 and the statements of operations and change in fund balances, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Practitioner's Responsibility*

My responsibility is to express a conclusion on the accompanying financial statements based on my review. I conducted my review in accordance with Canadian generally accepted standards for review engagements, which require me to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, I do not express an audit opinion on the financial statements.

### *Conclusion*

Based on my review, nothing has come to my attention that causes me to believe that the financial statements do not present fairly, in all material respects, the financial position of Netball Canada, as at March 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

**NETBALL CANADA**  
**Notes to the financial statements**

March 31, 2019

**1. Purpose of Organization**

The purpose of the organization is to promote the game of netball in Canada, to represent the Canadian Provinces, and ensure Canada is represented and participates in the decision making of the International Federation of Netball Associations.

**Nature of the Organization**

The Association was incorporated under the Laws of the Province of Ontario. The Association is a tax exempt organization under section 149(1)(l) of the *Canadian Income Tax Act*.

**2. Accounting policies**

The Association applies the Canadian accounting standards for private enterprises.

**Revenue recognition**

The Association recognizes revenue when received or receivable if the amount to be received can reasonably be estimated and collection is reasonably assured.

**Financial instruments***Initial and subsequent measurement*

The company initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions.

The company subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include accounts and loans receivable, other receivables, prepaid expenses and GST and tax recoverable.

Financial liabilities measured at amortized cost include the accounts payable, amounts owing to financial institutions and amounts owing to the government.

*Impairment*

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

**NETBALL CANADA**  
**Notes to the financial statements**

March 31, 2019

**2. Accounting policies (continued)**

*Transaction costs*

The company recognizes its transaction costs in net income in the period incurred. However, the carrying amount of the financial instruments that will not be subsequently measured at fair value, is reflected in the transaction costs that are directly attributable to their origination, issuance or assumption.

*Fund accounting*

Transactions of the Association are accounted for by fund accounting procedures to recognize various restrictions imposed on the use of available resources. Under these procedures, revenues and their related expenses are accounted for in separate funds in accordance with objectives, limitation, and restrictions imposed by the Association.

The Operating Fund consists of those revenues and expenses used in the general operations of the Association.

The National Team Fund consists of those revenues and expenses associated with the National Team.

*Use of estimates*

The management makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates and would impact future results of operations and cash flows. The items affected include provision for doubtful debts, amortization of the property, plant and equipment, accrued liabilities and provision for corporate tax.

*Cash and equivalents*

Cash and cash equivalents are short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. The Association has no cash equivalents.

**3. Fund balances**

	Operating Fund	National Team Fund	Total
Income	\$ 10,971	\$ 66,287	\$ 77,258
Expenses	(7,209)	(67,963)	(75,172)
