Independent Auditor's Report

To the Members of
Table Tennis Canada Tennis de Table

Opinion

We have audited the financial statements of Table Tennis Canada Tennis de Table (hereafter "the Organization"), which comprise the statement of financial position as at March 31, 2022, and the statements of operations and net assets and cash flows for the year then ended, and notes to financial statements, including a summary of significant accounting policies.

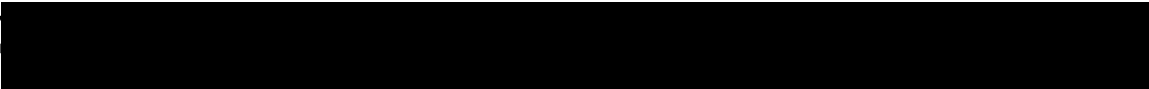

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

March 31, 2022

1 - GOVERNING STATUTES AND PURPOSE OF THE ORGANIZATION

The Organization is a Registered Canadian Amateur Athletic Association (RCAAA) under the Income Tax Act, and as such, has the authorization to issue tax deductible donation receipts and is not subject to income tax. The Organization is incorporated under the Canada Not-For-Profit Corporations Act. The Organization is dedicated to the development and promotion of the sport of table tennis.

2 - SUMMARY OF ACCOUNTING POLICIES

Basis of presentation

The Organization's financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Accounting estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts recorded in the financial statements and notes to financial statements. These estimates are based on management's best knowledge of current events and actions that the Organization may undertake in the future. Actual results may differ from these estimates.

Financial assets and liabilities

Initial measurement

Upon initial measurement, the Organization's financial assets and liabilities are measured at fair value, which, in the case of financial assets or financial liabilities that will be measured subsequently at amortized cost, is increased or decreased by the amount of the related financing fees and transaction costs. Transaction costs relating to financial assets and liabilities that will be measured subsequently at fair value are recognized in earnings in the year they are incurred.

Subsequent measurement

At each reporting date, the Organization measures its financial assets and liabilities at amortized cost.

With respect to financial assets measured at amortized cost or using the cost method, the Organization assesses whether there are any indications of impairment. When there is an indication of impairment, and if the Organization determines that during the year there was a significant adverse change in the expected timing or amount of future cash flows from a financial asset, it will then recognize a reduction as an impairment loss in earnings. The reversal of a previously recognized impairment loss on a financial asset measured at amortized cost or using the cost method is recognized in earnings in the year the reversal occurs.

2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Revenue recognition

Contributions

The Organization follows the deferral method of accounting for contributions. Under this method, contributions restricted for future period expenses are deferred and are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred contributions represent unspent funds externally restricted for various specific purposes.

Since government assistance resulting from the Canada Emergency Wage Subsidy may be examined by the tax authorities, retroactive application clarifications were introduced after the programs were announced and some rules may be interpreted differently by the tax authorities, it is possible that the amounts granted will differ from the amounts recorded.

Sponsorship, competition program, membership fees, member participation fees and sales

The Organization recognizes Sponsorship, competition program, membership fees, member participation fees and sales when the service has been rendered or delivery has occurred, when there's evidence of an arrangement with a price fixed or determinable and collection is reasonably assured.

Contributed services

Volunteers contribute a significant number of hours per year to assist the Organization in carrying out its service delivery activities. Because of the difficulty of determining their fair value, these contributed services are not recognized in the financial statements.

Foreign currency translation

The Organization uses the temporal method to translate transactions denominated in a foreign currency. Under this method, monetary assets and liabilities are translated at the exchange rate in effect at the balance sheet date. Non-monetary assets and liabilities are translated at historical exchange rates, with the exception of those recognized at fair value, which are translated at the exchange rate in effect at the balance sheet date. Revenue and expenses are translated at the average rate for the period, with the exception of the amortization of assets translated at the historical exchange rates, which is translated at the same exchange rates as the related assets. The related exchange gains and losses are accounted for in the operations for the year.

3 - FUNDS HELD IN TRUST

In addition to the cash balance recognized in the financial statements, the Organization holds cash in the amount of \$6,000 (\$8,000 in 2021) on behalf of the Champlain Table Tennis Club to pay scholarships.

7 - FINANCIAL RISKS

Credit risk

The Organization is exposed to credit risk regarding the financial assets recognized in the statement of financial position. The Organization has determined that the financial assets with more credit risk exposure are trade accounts receivable since failure of any of these parties to fulfil their obligations could result in significant financial losses for the Organization.

Market risk

The Organization's financial instruments expose it to market risk, in particular, currency risk, resulting from its operating activities:

Currency risk

The majority of the Organization's transactions are in Canadian dollars. Currency risk results from the Organization's revenues and expenses denominated in foreign currency which are primarily in U.S. dollars. As at March 31, 2022, the Organization is exposed to currency risk due to cash denominated in U.S. dollars totalling \$2,832 (\$927 as at March 31, 2021) and trade payables and other operating liabilities denominated in U.S. dollars totalling \$Nil (\$22,250 as at March 31, 2021).

Liquidity risk

The Organization's liquidity risk represents the risk that the Organization could encounter difficulty in meeting obligations associated with its financial liabilities. The Organization is, therefore, exposed to liquidity risk with respect to all of the financial liabilities recognized on the statement of financial position.

8 - LEASE

The Organization has entered into a long-term lease agreement for the rental of offices which call for minimum lease payments of \$23,352.

The lease expires on September 30, 2024. The lease contains a renewal option for an additional period of 5 years.

Minimum lease payments for the next three years are \$9,341 in 2023, \$9,341 in 2024 and \$4,670 in 2025.

9 - COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform with the presentation adopted in the current year.

The main reclassification as at March 31, 2021 and for the year then ended is an expense of \$6,300 was reclassified from Administration to Official languages.
