**Subject:** Process for Issuing Replacement Receipts

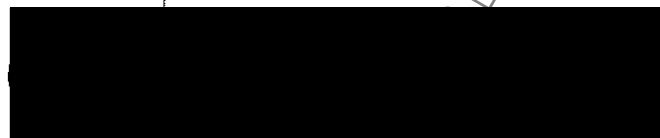

---

The Canadian 505 Class Association does not actively solicit or receive donations that require issuance of official donation receipts. As a result there has not been a need for issuing replacement receipts. However the following is our intention should the need to produce a replacement receipt in the future:

All original receipts will have a unique number associated with them. When a replacement is issued it will have a new number and will clearly state on it that it is a replacement and will also indicate the original receipt number it is replacing.

If this is not sufficient, please let me know what additional information you require. .

Thank you,
