Independent Auditor's Report

To the Members of
Whistler 2010 Sport Legacies Society

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Whistler 2010 Sport Legacies Society (the "Society"), which comprise the statement of financial position as at March 31, 2022, statements of revenues and expenses, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly in all material respects, the financial position of Whistler 2010 Sport Legacies Society as at March 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to

enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

As required by the Societies Act of British Columbia, we report that, in our opinion, these accounting principles have been applied on a basis consistent with that of the preceding year.

Whistler 2010 Sport Legacies Society

Notes to the Financial Statements

March 31, 2022

1. Nature of operations

The Whistler 2010 Sport Legacies Society (the "Society") is incorporated pursuant to the Societies Act of British Columbia. The purpose of the Society is to own, manage and operate the Whistler Athletes' Centre ("WAC"), the Whistler Olympic Park ("WOP") and the Whistler Sliding Centre ("WSC") (collectively, the "legacy assets"), which were created for the 2010 Olympic and Paralympic Winter Games. The Society was incorporated on March 14, 2007.

The Vancouver Organizing Committee for the 2010 Olympic and Paralympic Winter Games ("VANOC") was responsible for all expenses related to the legacy assets until May 31, 2010.

On May 31, 2010, the leases for the WOP and WSC facilities and sites were officially transferred by VANOC to the Society for consideration of \$1 to be paid to each party by the other based on the mutual covenants in the Asset Transfer Agreement signed on March 26, 2008. The legacy assets were recorded at nominal value in these financial statements as their fair values cannot be reasonably estimated at the date of contribution.

The Society entered into an agreement with the Resort Municipality of Whistler ("RMOW") effective April 1, 2011, to lease the WAC lands, buildings, structures, furniture and improvements to the Society for nominal consideration and for a term of 99 years.

On December 14, 2009, the Society entered into a "FF&E Transfer Agreement" with VANOC to agree on the transfer of the fixture, furniture, vehicles and equipment acquired by VANOC for use at the WOP, WSC and WAC prior to and/or during the 2010 Olympic and Paralympic Winter Games. This agreement was amended on June 23, 2010, to include additional assets such as the Olympic Rings and Venue Towers. This group of assets were transferred on May 31, 2010 and were recorded at nominal value in these financial statements as their fair values cannot be reasonably estimated at the date of contribution.

The Society is responsible for the operating costs of the legacy assets beginning June 1, 2010. Legacy Endowment Funds were established by the Federal and Provincial governments to assist with the ongoing post-games operation and capital requirements of WOP and WSC. The Society will have access to this funding if the venues are operated in a manner that supports and provides access to the WOP and WSC for developing and training high performance athletes, and for coach and sport training and development.

2. Summary of significant accounting policies

Basis of presentation

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

Revenue recognition

The Society follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Whistler 2010 Sport Legacies Society

Notes to the Financial Statements

March 31, 2022

2. Summary of significant accounting policies (continued)

Revenue recognition (continued)

Government assistance and donations related to the acquisition of property and equipment are capitalized and amortized to income on the same basis as the related depreciable asset.

Government assistance related to expenses is recognized in the period in which the expenses are incurred.

Public programs and rentals are recognized as revenue in the period when earned.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks and short-term deposits with original maturities of three months or less.

Property and equipment

Purchased property and equipment are recorded at cost. Contributed property and equipment are recorded at fair value as of the date of contribution, when its fair value can be reasonably estimated. When the fair value cannot be reasonably estimated, the contributed capital assets are recorded at nominal value.

Amortization is provided based on the following rates:

Leasehold improvements	5 to 20 years Straight-line
Vehicles	30% Declining balance
Equipment	20% Declining balance
Computer software	55% Declining balance

Financial instruments

The Society initially measures its financial assets and financial liabilities at fair value. The Society subsequently measures all of its financial assets and financial liabilities at cost, except for investments in equities and fixed income securities, which are measured at fair value.

Financial assets measured at cost include cash and cash equivalents, receivables and deposits.

Financial assets measured at fair value include the [REDACTED] portfolio of equities and fixed income securities.

Financial liabilities measured at cost include payables and accruals and loan payable.

Income taxes

The Society is a Registered Canadian Amateur Athletic Association and exempt from income taxes under Section 149(1)(l) of the Income Tax Act.

2. Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that could affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant areas requiring the use of management estimates relate to the determination of useful lives of property and equipment for calculating amortization. Actual results could differ from those estimates.

The purpose of the loan is to provide rental construction financing for the Project (see Note 5). The terms of the loan are as follows:

11. Capital management

The primary objective of the Society's capital management is to provide adequate funding to ensure efficient delivery of its activities.

The Board has internally restricted the reserves of the Society for Capital Infrastructure, Revenue Generation, Sport Development and Contingency. The Board reviews the allocation to each reserve annually.

Net assets invested in property and equipment represents the net book value of property and equipment less the deferred capital contribution.

Unrestricted net assets are funds available for future cash flows and future operations and are preserved so the Society can have financial flexibility should opportunities arise in the future.

12. Disclosure required under the Societies Act

On November 28, 2016 the new British Columbia Societies Act came into force. Included in the new Act is a requirement to disclose the remuneration paid to all directors, the ten highest paid employees and all contractors who are paid at least \$75,000 annually.

During the year, the Society paid \$1,230,114 (2021 - \$1,254,396) in remuneration to the 10 most highly remunerated persons who are employees, whose remuneration, during the applicable period, was at least \$75,000.

13. COVID-19 impact

During the year, the spread of COVID-19 severely impacted many local economies around the globe. In many countries, including Canada, businesses are being forced to cease or limit operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services, have triggered significant disruptions and impact on businesses and operations of not-for-profit organizations. Global stock markets have also experienced great volatility.

While governments and central banks have reacted with monetary and fiscal interventions designed to stabilize economic conditions, the duration and extent of the impact of the COVID-19 outbreak, as well as the effectiveness of government and central bank responses, remains unclear at this time.

Some operations were open to support the Society's high performance athletes that continued to train while adhering to the provincial health orders. Reductions in the Society's public program revenues were partially offset by the support of the federal government Canada Emergency Wage Subsidy ("CEWS").

The Society qualified for government assistance programs in place, resulting in the recognition of CEWS revenue in the year. The CEWS is for Canadian employers who have seen a drop in revenue as a result of COVID-19 and are eligible to receive a subsidy for wages paid. During the year, the Society received \$1,327,678 (2021 - \$2,330,240) in CEWS.
