Return Reference	Explanation
Schedule D, Part V, Line 4	The Endowment Fund consists of externally restricted contributions received by the Foundation where the endowment principal is required to be maintained intact over the long term. The Endowment Fund also includes internal resources transferred by the Board of Directors with the intention that the principal be maintained intact, but may be drawn down to fund operating activities and grants as required. The Endowment Fund is preserved through the Foundation's Fund Unitization and Capital Preservation Policy ("Policy"). Investment Income (loss) is allocated among the funds based on the Policy. The Policy established a payout amount based on 4.25% multiplied by the average of the current and two previous fiscal year's unit values multiplied by the number of units in the Endowment Fund, of which 0.75% is credited to the General Fund for administration. The remaining 3.5% is restricted to the purpose in which the donor originally designated the contribution to.
